Drop-off and Pick-up Procedure

- You may park and walk your child into the school anytime. If you are dropping off during the designated car pool times between 8:45 a.m. and 9:00 a.m., or picking up between 3:00 p.m. and 3:15 p.m., please pull into the parking lot directly in front of the school. At the end of the parking lot is a turnaround where a staff member will meet your child and walk him/her into the school.
- If you intend to park and walk your child in, you **MUST** park in the designated parking area only.
- Details of our parking and car pool procedures are available in the office.
